Guess What I am Doing

Play this card game in groups of three or four. Shuffle the cards and place them in the middle. Player 1 takes a card and does the action that will prompt player 2 and 3 to guess the answer given on the card first. Player 1 gives the card to the first player to guess correctly. The player to the left takes the next turn. The player with the most cards at the end is the winner.

This game gives students practice with the grammar related to physical activity.

I ski. I like skiing. I ski during the winter.

"Ski" is a verb. It is not the name of a game, so conjugate it as a verb or use the gerund form, "skiing."

"Soccer" is a game. Use a form of the verb "play" + the name of a game.
